### **MSH International**

Founded in 1974, MSH International is a leading provider of comprehensive expatriate insurance services and TPA (Third Party Administration) services around the world. Today, MSH International has established 4 service centers located in Paris, Calgary, Dubai and Shanghai to provide employee benefit solution for over 2,000 corporate clients worldwide with 330,000 insured participants in 200 countries. Our majority shareholder is the Rothschild Family, the major players in European finance for more than 200 years.

### **History in China - MSH China Enterprise Services Co., Ltd (MSH China)**

We have been operating in China since 2001 and have established a strong local presence. MSH China is widely recognized as the pioneer and market leader in International Health Insurance in China. To continuously improve and provide quality service to our members, we became the first international health insurance service provider to be accredited with the ISO9001 quality system certification and the ISO27001 Information Security Certification in 2011 and 2013 respectively. SERVICE is at the heart of our corporate DNA and a lifestyle we practice. MSH CHINA was selected by our esteemed colleagues in the ASIA Insurance Industry, as Asia's Best "SERVICE PROVIDER of the Year" in 2013.

Our success stems from the reputation of innovative products, superior services, strong leadership and social responsibility. We have successfully implemented and served for more than 800 multi-national companies in China, most of them are Fortune 500. Our name is recognized and trusted by these leading companies in different industries.

### **Our Offering for Clients**

We provide tailor-made international healthcare schemes with comprehensive and valued benefit packages for corporate groups.
